Library Director

Dear Friend:

The officers and directors of The Friends of the Larchmont Public Library thank you for everything that you do to support our organization and the Library. The past year has been busy, and it was wonderful to see so many of you at our events, including our ongoing Sunday afternoon programs, our first-ever weekend of Mini-Golf *In The Library*, and, most recently, our Sixth Annual Larchmont Spelling Bee.

It is the time of year when The Friends renew our annual commitment to the Library to support its print magazine and e-magazine RB Digital collections . As you may know, for many years The Friends have underwritten a substantial portion of the annual cost of funding these collections. Magazines are not cheap, and the Library is committed to offering a range of magazines that serve the interests and needs of its patrons. An updated list of all print periodicals and e-magazines to which the Library subscribes is enclosed. As in the past, The Friends seeks your contribution to help the Library continue to receive these important resources. Please take a few minutes to review the list and join our campaign.

If you have previously sponsored particular magazines by contributing to the Friends and would like to continue to do so, we will do our best to honor your request. Donations may be made through our [online payment portal](#) or by check made out to “Friends of the Larchmont Public Library”. If you would like to mail in a check, please fill out the [donation form](#) to accompany your check. (Please do not subscribe directly to any magazine on The Friends’ or the Library’s behalf.) Additional information is available on our [website](#).

Again, thank you so much for your continued support of this important initiative of The Friends. The Periodical Room, just to the right of the main entrance of the Library, is a welcome retreat enjoyed by many members of the community. We hope to see you there soon!

Sincerely,

Richard Levy, Jr.
