Why a “fun”draiser at the Larchmont Public Library? The Library is funded from the public budgets of the Village of Larchmont and the Town of Mamaroneck. It is prohibited by law from engaging in fundraising. But the Friends of the Larchmont Public Library provides additional funding for the Library – for books, materials, and programming. **The 2018 Larchmont Open aims to raise \$10,000 to \$20,000 for increased financial support for the Library. Your support of this event will move us toward that goal and bring smiles to children, adult and senior patrons!**
